

## NISSAN PATROL Gauge/Switch Holder

### Installation Instructions

v20190506

#### Important notes before installing:

- All installation work should be done by a qualified professional to avoid damage to this product or to your vehicle!
- This product is supplied raw with a brushed surface finish and may discolour if exposed to direct sunlight for long periods. To avoid this, SAAS recommends colour matching this product to suit your vehicles interior. (See below for painting tips)

#### Fitting Steps:

- Please test fit your product before painting.
- Remove the radio dash trim.
- Remove the 3 screws that hold the upper dash compartment assembly in place and pull the whole assembly out carefully.
- Flip the compartment assembly over and remove the 4 screws that holds the centre compartment in place.
- Fit your new gauge/switch holder using the 4 screws you just removed.

#### Painting Tips:

- For best painting results, use a scotch pad to lightly scuff the surface, then clean with a wax and grease remover before applying a plastic primer and then your colour.
